Course Specifications:

This course intends to stimulate students to use the English language in their career path. It provides the student with a wide range of vocabulary and grammar in addition to the essential reading and writing skills necessary for the current globalization era. This course focuses on the proper use of English language through exercises dealing with essential grammar and structure. The course can serve as basic for revision and as means of practicing new material. The course will use self-explanatory texts and exercises to enable the student to understand the meaning of a variety of widely used vocabulary. The course also intends to enhance the students' written and oral communication skills with emphasis on how a student can present him/herself and his/her ideas in clear English. The course will also deal with reading comprehension and contains some simple topics related to current legal, economic, social, and political issues.
